WORK EXPERIENCE

Upper Crust Food Service

Graphic Designer

Columbia, Missouri

June 2025 - December 2025

- Designed digital and print marketing materials that strengthened brand visibility and supported company-wide campaigns.
- Assisted with social media management, including content creation, post scheduling, and community engagement to maintain a cohesive brand voice.
- Collaborated with the marketing team to ensure all creative assets aligned with brand guidelines and campaign goals.

Sia Creatives

Graphic Designer

Los Angeles, CA

June 2025 - August 2025

- Contributed to brand identity development through logo design, typography systems, and mood boards.
- Designed assets for social media and marketing campaigns while maintaining visual consistency across platforms.
- Supported creative strategy by researching design trends, collaborating in brainstorm sessions, and assisting with photo/video production.

Wuggle

Product Designer / Graphic Designer

Los Angeles, CA

August 2023 - Present

- Designed and produced over 30 graphics for marketing campaigns and promotional events, strengthening brand visibility and audience engagement.
- Collaborated with company founders to conceptualize a new sleep aid product, developing its logo and brand identity to establish a cohesive and impactful market presence.

Big Nerds (Protein Powder Manufacturer)

Freelance / Contract Packaging Designer

Los Angeles, CA

March 2024

- Finalized the national packaging design for a new protein powder brand, ensuring a visually compelling and cohesive design that upheld the brand's identity while effectively incorporating all mandatory content
- Refined packaging design by improving spacing and typography to enhance legibility and customer experience

Parker-Anderson Enrichment, Inc.

Art Teacher

Los Angeles, CA

November 2022 - July 2023

- Developed various lesson plans using organizational skills and methodology to acquire new artistic skills effectively
- Taught 20 young art students, imparting previous instructors' teachings across various art forms in an engaging and educational environment

BuyXR

Graphic Designer

Los Angeles, CA

December 2022 - June 2023

- Recruited by a venture-funded virtual reality startup to consult on ongoing product design workstreams, ultimately retained for six key product design projects by delivering innovative design solutions within a condensed timeline
- Designed merchandise and developed innovative virtual reality shopping room concepts for partnership meetings with companies including Ralph Lauren, Valentino, Under Armor, Nisolo, Oakley, and Palm Angels
